

Lead Your Workforce to New Dimensions

Your workforce is your organization's most valuable asset. HealthNET can help you manage it efficiently and effectively, so you can deliver the most cost-effective care to the communities you serve.

HealthNET consultants are experts in healthcare workforce management and UKG™ solutions. We understand the importance of developing and executing a workforce management strategy that meets the needs of your entire workforce — from administrative staff to clinicians.

Our expertise includes:

- ✓ Deep UKG Pro Workforce Management™ (formerly UKG Dimensions®) and Workforce Central® knowledge
- ✓ 20+ years of healthcare experience
- ✓ Pay practice alignment expertise
- ✓ Strategic planning guidance
- ✓ Program and project management
- ✓ Workforce management best practices
- ✓ HR interim leadership as needed

Our HealthNET Team

Our consultants average more than 20 years of industry experience with an expert understanding of UKG Pro Workforce Management and Workforce Central. We identify your healthcare organization's specific needs, then combine them with best practices and UKG optimization expertise to ensure you succeed.

Our ability to effect real change by working with all stakeholders — from leadership to end users, and even unions — is why clients repeatedly return to HealthNET. Our consultants are HR subject matter experts in compliance, pay policy, FMLA, benefits, compensation plans, retirement and ERISA laws, Fair Labor Standards Act, staffing and recruitment, reviews and appraisals, workers compensation, and staff counseling.

HealthNET has developed its team with a single purpose in mind — to ensure our client relationships have a lasting impact on their organizations' success. Please email us at hello@healthnetconsulting.com or call the phone number below to learn more.

"HealthNET helped us integrate four different time and attendance systems into one [UKG] Dimensions platform at 7 hospitals and all of our associated medical groups, urgent care clinics, and our EMS service organization."
